[The Australia Japan Society of Queensland](#) is proud to host its annual Japan Careers evening on Thursday 10 August. This year we are honoured to co-host with the Japanese Consulate General of Japan Brisbane for the delivery of the event. The new Consul-General Mr Gomakubo will make an opening speech and is looking forward to meeting students.

This annual event highlights the advantages of studying the Japanese language and connects the audience to professionals who have learnt Japanese and have successfully utilized the language as part of their career paths. The event is targeted at high school and university students. The event will be a hybrid event with the option to attend in person at the Consulate-General of Japan in Brisbane or online via Zoom. As capacity for in-person attendance is limited, we recommend registering early to avoid missing out.
